WORK EXPERIENCE

VIDEO EDITOR

2022-2023

FREELANCING 2022 - 2023

I worked as a video editor. Our working area in Adobe Premiere Pro. I worked for 1 year. I worked as a Freelancer. Also, I studied Graphic Designer field. Such as Adobe Photoshop and Adobe Illustrator.

FULL STACK DEVELOPER

2023-2024

UKI VAVUNIYA 2023-2024

Now I am studying as a Full Stack Developer at Uki Vavuniya. Now, 2 months have finished. We'll start to move into backend developer. After June, we'll finish our studies.

GOALS

i am really excited to switch my career into Cybersecurity. Because I love it. I already have some online resources to improve my knowledge in Cybersecurity But I don't know how to start my path, so I want a mentor in my career.
